Wm Lloyd Garrison  
My friend,

I saw in the Liberator a few days ago that the friends of the late <sup>Daniel</sup> Foster are raising a fund for his family. Please add to it the enclosed \$10.00.

And so Richardson has fallen! Truly, the end draws very near! I hope your dear wife's health continues to improve. God grant that George may be returned to you in safety. I fear that my pen will never recover from the pain of what he suffered in the Divine battle of Pea-sack.  
Your friend
